No-Host Luncheon

The Redwood Safety Association is made up of Grants Pass and surrounding area business persons who have occupational safety or health as part of their duties. The regular monthly meetings provide documentable training and networking opportunities for the price of lunch! Tell them you are there for the RSA meeting. **INVITE A FRIEND!**

*This month's topic:*

**Online Resources for the Safety Professional**

Safety Professionals have never had access to the vast amounts of information that they do today, unfortunately the volume of information can be overwhelming. What are the best resources when looking for PowerPoint presentations, developing Emergency Action Plans, or writing an Illness and Injury Prevention Program? This training will help uncover the hidden safety resource gems and provide a way to conveniently access them when needed. Don't reinvent the wheel, the work has already been done.
