

# Redwood Safety Association

Providing Quality Safety & Health Training  
For the Price of Lunch!

[www.redwoodssafety.org](http://www.redwoodssafety.org)

General meeting:  
**Disaster Preparedness**

Thursday, November 5th  
12:00 noon - 1:00 pm

**Presented By  
Rikki Perrin**

Education & Outreach Coordinator  
Josephine County Emergency Management

## **LOCATION**

This will be a virtual meeting.  
You can attend from your  
desk!

The regular RSA No-Host  
Luncheon meetings have been  
suspended until such time it has  
been determined as safe to have  
public meetings again.

Rikki Perrin is the Education and Outreach Coordinator for Josephine County Emergency Management. Her primary focus is educating the public on personal preparedness for all the events we could potentially face as Josephine County residents. While public meetings have been a staple in the past, COVID-19 has placed some obvious restrictions on in-person gatherings making virtual training the new norm. Rikki is now working to create a dynamic experience online at [rvem.org](http://rvem.org) for those seeking to become better prepared. The county's resiliency is still dependent upon individual residents planning, acquiring supplies and learning the skills necessary to be their own first responder.

## **Membership Not Required**

The Redwood Safety Association is made up of Grants Pass and surrounding area business persons who have occupational safety or health as part of their duties. The regular monthly meetings provide documentable training and networking opportunities for the price of a lunch! While normally held at the Black Bear Restaurant and in Grants Pass, social distancing policies have made these meetings temporarily impossible. **Until the COVID-19 restrictions are lifted, the RSA meetings will be held electronically for our members and attendees. You can find the link in the RSA Program email or on our website the day of the meeting. [www.redwoodsafety.org](http://www.redwoodsafety.org)**
