

Redwood Safety Association

Purpose...

To provide opportunities to promote and improve safety understanding for employees, employers, and the general public in the geographical area surrounding Grants Pass, Oregon.

Objective...

To provide

- Develop and/or promote educational programs for obtaining the knowledge required to perform the function of a safety professional.
- Develop and/or disseminate locally, information and materials that will carry out the purpose of the Association, and serve the public.
- Provide networking opportunities and support forums for the interchange and acquisition of knowledge among its members and the community.
- To foster liaison with local organizations or related disciplines.
- To conduct its affairs in a manner that will reflect the standard, purposes and objectives of the Association.

Why join...

Meet and collaborate with others who share your goals to provide a safe and healthy workplace.

- Access to vast resources of knowledge and expertise.
- Join a group of professionals who are committed to continually improve safety & health of the community and their workplaces.

Meetings...

General meetings are a no-host luncheon, held the first Thursday of each month at the Black Bear Dinner, 1900 NW 6th St., Grants Pass, Oregon. Membership is not required to attend.

- Monthly presentations cover a variety of safety and health topics
- Provides great opportunity to network and share your successes and challenges.

Who we are...

The Redwood Safety Association is a non-profit organization comprised of employees, employer representatives, governmental agencies, and others who want to promote the understanding and cooperation of safety and health.

Membership

Open but not limited to individuals in the Grants Pass geographical area who would like to have an opportunity to promote safety and health in the workplace, their communities and at home.

To learn more about becoming a member of the Redwood Safety Association please contact any of the board members listed on this brochure.

What we do...

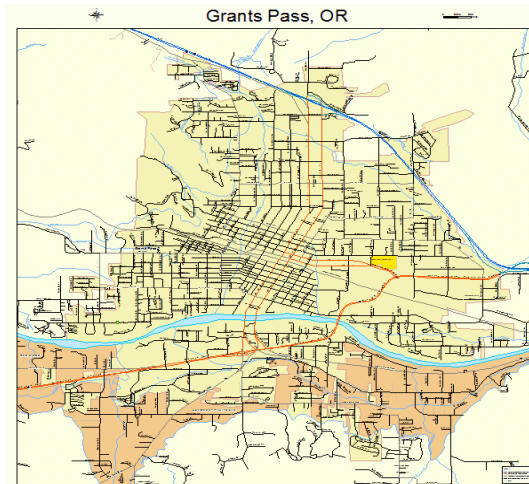

In fulfilling the purposes of a mutual benefit organization the Redwood Safety Association provides training, networking, and mentoring opportunities. Involvement with the Association offers an opportunity to assist local companies, organizations and the community.

Resources to Remember

Take advantage of these great resources. The websites are filled with great information on rules, regulations, and training.
